Marathon Quilt Guild

Programs

2010 – 2011

ONGOING PROGRAMS:

Book Club

Interested members will read quilt-related fiction and meet on the 4th Tuesdays for discussion, and a project.

Charity Quilts

Interested members may use any of the projects/techniques learned this year to make a quilt to donate to a local charity. See Charity Quilt Guidelines www.marathonquilters.com

Technique Training Blocks

We will learn/reinforce a variety of techniques by focusing on one technique per month. Members may use blocks for a sampler quilt, which will be displayed at the next quilt show.

UFO Contest

Members will sign UFO Contracts which will:
 Commit them to finishing projects;
 Bask in the glory of sharing a finished project with the guild;
 Allow them to participate in a drawing; or
 Cause them to pay a penalty for not fulfilling their contracts.

Members who have finished all UFOs will have a separate Start to Finish Contract.
